## Levels of Classification and Security Clearance

COMF  
↓

### **PUBLIC**

The information in this document is public.

#### 1. **List of Classification Levels**

There are 6 levels of classification clearance in Regelis.

- Public
- Protected
- Restricted
- Secret
- Top Secret
- Cosmic Top Secret

#### 2a. **Public**

The public level of documents is open to the public and is entirely unclassified, any person may view public documents without any restrictions in permissions. You do not have to be a citizen of Regelis to have permission to view public documents. Even though public documents are unclassified, they must be explicitly labeled as public.

#### 2b. **Protected**

The protected level of documents is closed to the general public, however remains open to any Regelian citizen upon request from a government office to view protected documents. Protected documents cannot be viewed by any person who has committed a capital crime within the state of Regelis. Protected documents are mostly personnel oriented, and are generally documents such as medical and tax records, or recordings of legal proceedings and similar. Distribution of protected documents without authorization or permission is a crime.

*Levels of Classification and Security Clearance*

<p>2c. <b>Restricted</b></p> <p>The restricted level of documents is closed to the general citizenship population of Regelis. The restricted clearance level is entered into by becoming an employee of the government of Regelis, the House of Councils, or by serving the military of Regelis regardless of duty activity. Becoming incarcerated, from almost any crime, can have the penalty of stripping a Regelian citizen of their right to view Restricted documents. Distribution of restricted documents illegal, and imposes a penalty that includes imprisonment.</p>	
<p>2d. <b>Secret</b></p> <p>The secret level of documents is closed to the general employees and military staff of the government of Regelis. Only specific members of government agencies, chosen by people with higher clearance of security, can provide access to secret documents. Distribution of secret documents is treason, and imposes penalties that includes indefinite imprisonment or a loss of Regelian citizenship.</p>	
<p>2e. <b>Top Secret</b></p> <p>The top secret level of documents is closed to almost every person. The only exceptions are people directly associates with the House of Councils, with top level members of the intelligence community, or office of a Premiere. Distribution of top secret documents is treason, and a capital offense. Penalties can include indefinite imprisonment, a loss of Regelian citizenship for yourself and others, and even capital death.</p>	
<p>2f. <b>Cosmic Top Secret</b></p> <p>In addition to the clearance level of restriction to the House of Councils, is also restricted to the highest levels of security clearance internationally.</p>
