Peace Negotiation Between Almendria and Nexan

CONF

Public

The information in this document is Public Knowledge.

1. **Preface** The following are the terms of a peace negotiation talk between the Almendrian Communist Union (Almendria) and the Nexan Republic (Nexan); mediated by the Merit State of Regelis (Regelis) as a third party mediator. All parties are now bilaterally recognized negotiating states. After a month of continued hostilities an agreement as been made. The following are the terms of that agreement.
2. **Terms of Nexan** Nexan originally had four demands of Almendria, which have been reduced through negotiation to the following. Almendria is to;
 - (a) issue a public apology for some of their actions, (and)
 - (b) to except an honor-based agreement that they will not engage in those actions in the future, regardless of the validity of past accusations, (and)
 - (c) refrain from engaging in server related hostile action with their Cyber Force military branch, (and)
 - (d) refrain from performing any raiding, flooding, spamming, or other means of attack upon a Discord service server, (and)
 - (e) disengage with national level communication with the Perfection cult.
3. **Terms of Almendria**

In turn, Almendria has negotiated with Nexan through Regelis the following benefits of peaceful action. Almendria will receive;

 - (a) a disenfranchisement of the diplomatic and trade embargo imposed on them by Nexan, (and)
 - (b) receive a publicly written for apology for accusations made against them by Regelis, that were taking out of context, intentionally damaging their reputation.

4. **Violation of the Terms**

If the terms of Almendria's side of the negotiation is violated, it will result in public denunciation from the community at large. However, if the terms of Nexan are violated, have their meaning manipulated, or otherwise infringed upon the;

- (a) diplomatic and trade embargo imposed upon Almendria by Nexan will resume, (and)
- (b) this embargo will expand to include Regelis' diplomatic coalitions and allies, (and)
- (c) result in public condemnation of Almendria's non-neutral or good actions for the foreseeable future.
