

Regelis National Authority

Treaty of Recognition

COMF

Public

The information in this document is public.

1. Content

The Merit State of Regelis formally recognizes the sovereign independence of the Grand Republic of Cycoldia. In turn Cycoldia will receive the following benefits from Regelis. The ability to:

- (a) request intelligence information services, (and)
- (b) request design expertise for national symbols, flag, and culture icons, (and)
- (c) use their Regelian consulates as a third party mediator to solve international disputes, (and)
- (d) has citizens pass through land controlled by Regelis with an appropriate visa or passport, (and)
- (e) enroll its citizens, should they wish to do so, within an international coalition should an international crisis emerge, as defined by the Emisstace of Regelis.
