### Public

The information in this document is public.

#### 1. **Content**

The Merit State of Regelis, hereby Regelis, formally recognizes the sovereign independence of the Technocratic Republic of Theodia; hereby Theodia. In turn Theodia will receive the following benefits from Regelis. The ability to:

- (a) request intelligence information services, (and)
- (b) request design expertise for national symbols, flag, and culture icons, (and)
- (c) use their Regelian consulates as a third party mediator to solve international disputes, (and)
- (d) has citizens pass through land controlled by Regelis with an appropriate visa or passport, (and)
- (e) enroll its citizens, should they wish to do so, within an international coalition should an international crisis emerge, as defined by the Emisstace of Regelis.
