

Pre.
This treaty between the Merit State of Regelis and the United Kingdoms of Greater Monmark, outlines mutual friendship as fellow LIN member states, may both our nations prosper.

Art. 1. Mutual Recognition

As this is implied under the Libertas Convention, this term is already complied with, however both nations are advised not to exit relations.

Art. 2. Mutual Friendship

Both nations are to be considered as friends, with the following perks.

- Both nations will maintain an embassy in the other.
- Both nations may trade without restriction if this is wished.
- Both nations may amend this treaty if they so wish to add more terms.

Art. 3. Mutual Defense

Both nations are to sign a pact of defense, guaranteeing the other's sovereignty, and authorizing cooperation between the militaries of both nations.
